Dedication

To--
The Spirit
of
Spiro High School,
~~motivated~~ by the
~~prin~~ciples set forth
~~in~~ her creed and song
~~and~~ exemplified
in the lives
of her students,
the 1952 volume
of
THE BULLDOG
is hereby
dedicated.

Creed

I believe in
Spiro High School,
the principles for
which it stands:
equal advantages,
equal opportunities,
and fair treatment
for all.

Song

We hail thee,
Spiro High!
Our thanks to you
For all the happy
hours
We'll remember our
life through;
Because we've searched
The world
far and wide--
On shore and tide;
Still, we come back
to you--
For dear old
Spiro High
Is still our pride
and joy!

Dependability, alertness and loyalty characterized our athletic manager, Paul Reed. He not only inspired all the other boys, but also exemplified in his daily living the type of young man of whom Spiro High School is proud. Despite the fact that he was not a participant in any athletic contest, his diligence and personality have stamped him as a young man worthy of the best.
